RECITALS

1. Declarant is the owner of all of the real property, including the land; all improvements and structures on the property; and all easements, rights, and appurtenances belonging to the property that is located in the City of San Antonio, County of Bexar, State of Texas (*the "Property"*), more particularly described in *Exhibit "A"*, which is attached and incorporated by reference.
2. Declarant submits the Property to a condominium regime established by the Texas Uniform Condominium Act (TUCA), which is codified in Chapter 82 of the Property Code.
3. The Property constitutes a condominium project (*the "Project"*) within the meaning of TUCA. The formal name of the Project is **HERITAGE CONDOMINIUMS AT COPPERTREE**.
4. Declarant intends and desires to establish by this Declaration a plan of ownership for the condominium project (*"Project"*) . The plan consists of individual ownership of residential condominium units (*the "Unit(s)"*) and other areas. The Project shall be divided into no more than fifty-four (54) Units.
5. The Declarant intends to impose on the Project mutually beneficial restrictions for the benefit of all Units and the persons who own those Units (*the "Owners"*) . The Declarant further intends, in accordance with the terms set forth herein, that the Owners will govern the Project by means of an organization of Owners (*herein the "Association"*), as more particularly set forth herein. The formal name of the Association is **HERITAGE CONDOMINIUMS AT COPPERTREE OWNER'S ASSOCIATION, INC.**
6. The Units and other areas of the Project are more particularly described in *Exhibits "B" and "C"* which are attached and incorporated by reference. The Owners each have an undivided interest in the remaining property of the Project (*referred to as the "Common Elements"*), which is also more particularly described in *Exhibits "B" and "C"*. *Exhibit "D"* sets

forth the allocation to each Unit of (a) a fraction or percentage of undivided interests in the common elements of the condominium, (b) a fraction or percentage of undivided interests in the common expenses of the Association, and (c) a portion of votes in the Association, by the formulas set forth therein.

7. Therefore, the Declarant declares that the Project is held and shall be held, conveyed, hypothecated, encumbered, leased, rented, used, occupied, and improved subject to the following covenants, conditions, and restrictions, all of which are declared and agreed to be in furtherance of a plan for the improvement of the Property and the division of the Property into Units, and all of which are established and agreed on for the purpose of enhancing and perfecting the value, desirability, and attractiveness of the Project and every part of the Project. All of the covenants, conditions, and restrictions shall run with the Property and shall be binding on all parties having or acquiring any right, title, or interest in or any part of the Property and shall be for the benefit of each Owner of the Project or any interest in the Project and shall inure to the benefit of and be binding on each successor in interest of the Owners.

Exclusive Ownership and Possession

2.02. Each Owner shall be entitled to the exclusive ownership and possession of the Owner's Unit. Any Unit may be jointly or commonly owned by more than one Person. No Unit may be subdivided. The boundaries of the Unit shall be and are the interior surfaces of the perimeter walls, floors, ceilings, and the exterior surfaces of balconies and porches. All windows and doors, lath, furring, wallboard, plasterboard, plaster, paneling, tiles, wallpaper, paint, finished flooring, and other finish surface materials, all utility pipes, lines, systems, fixtures, or appliances found within the boundary lines of the unit and servicing only that Unit, are a part of the Unit. An Owner shall not be deemed to own the utilities running through the Owner's Unit that are utilized for or serve more than one Unit, except as a tenant in common with the other Owners. An Owner shall be deemed to own and shall have the exclusive right to paint, repaint, tile, wax, paper, or otherwise refinish and decorate the interior surfaces of the walls, floors, ceilings, windows, and doors bounding the Owner's Unit. Notwithstanding anything to the contrary contained herein, any painted or colored blind, shutters, curtains, awnings, drapes, lighting, etc., visible to public view or in the common areas of the Project shall first be approved

by the Board of Directors. In interpreting the plats or deed or any other instrument affecting a building or unit, the boundaries of the building or unit as it is constructed or reconstructed, shall be conclusively presumed to be the actual boundaries rather than the description expressed in the plats notwithstanding minor variations between the boundaries shown on the plats and those of the buildings or unit as located and erected.

Common Elements

2.03. Each Owner shall be entitled to an undivided interest in the Common Elements described in *Exhibit "D"* in the percentage expressed in *Exhibit "D"*. The percentage of the undivided interest of each Owner in the Common Elements, as expressed in *Exhibit "D"* shall have a permanent character and shall not be altered without the consent of all Owners, expressed in an amended, duly recorded Declaration. The percentage of the undivided interest in the Common Elements shall not be separated from the Unit to which it pertains and shall be deemed to be conveyed or encumbered or released from liens with the Unit even though the interest is not expressly mentioned or described in the conveyance or other instrument. Each Owner may use the Common Elements in accordance with the purpose for which they are intended as long as the lawful rights of the other Owners are not hindered or encroached on.

Limited Common Elements

2.04. The Common Elements designated as Limited Common Elements in *Exhibit "C"* are reserved for the exclusive use of the Owners of the Units to which they are appurtenant and each Unit Owner is hereby granted an irrevocable exclusive license to use and occupy said Limited Common Elements, and shall have the responsibility to maintain such Limited Common Elements in a clean condition.

Partition of Common Elements

2.05. The Common Elements, both General and Limited, shall remain undivided and shall not be the object of an action for partition or division of ownership so long as the Property remains a Condominium Project. In any event, all mortgages must be paid prior to the bringing of an action for partition or the consent of all mortgagees must be obtained.

Nonexclusive Easements

2.06. Each Owner shall have a nonexclusive easement for the use and enjoyment of the General Common Elements and for ingress, egress, and support over and through the General Common Elements. These easements shall be appurtenant to and shall pass with the title to each Unit and shall be subordinate to the exclusive easements granted elsewhere in this Declaration, as well as to any rights reserved to the Association to regulate time and manner of use, and to perform its obligations under this Declaration.

Other Easements

2.07. The Association may grant to third parties easements in, on, and over the Common Elements for the purpose of constructing, installing, or maintaining necessary utilities and services. Each Owner, in accepting the deed to the Unit, expressly consents to such easements. No such easement may be granted, however, if it would interfere with any exclusive easement or with any Owner's use, occupancy, or enjoyment of the Owner's Unit.

Easements for Maintenance of Encroachments

2.08. None of the rights and obligations of the Owners created in this Declaration or by the deeds granting the Units shall be altered in any way by encroachments due to settlement or shifting of structures or any other cause. There shall be valid easements for the maintenance of such encroachments so long as they shall exist provided, however, that in no event shall a valid easement for an encroachment be created in favor of any Owner if the encroachment occurred because of the willful conduct of the Owner.

 - (iii) The accused Owner must be given written notice of a levied fine or damage charge within thirty (30) days after the date of levy.
 - (iv) Any suspension of privileges or imposition of monetary penalties shall be reasonably related to the Owner's violation.

injured, \$1,000,000.00 for any one accident, and \$1,000,000.00 for property damage. The limits and coverage shall be reviewed at least annually by the Board and varied in its discretion, provided, however, that the said limits and coverage shall never be of fewer kinds or lesser amounts than those set forth in this Paragraph. The policy or policies shall be issued on a comprehensive liability basis and shall provide cross-liability endorsement in which the rights of named insurers under the policy or policies shall not be prejudiced as respects his, her, or their action against another named insured.

ARTICLE 4

ASSESSMENTS

Covenant to Pay

4.01. The Declarant covenants and agrees for each Unit owned by it in the Project, and each Owner by acceptance of the deed to such Owner's Unit is deemed to covenant and agree, to pay to the Association the regular and special assessments levied pursuant to the provisions of this Declaration. All moneys collected shall be put into a maintenance fund to be used to defray expenses attributable to the ownership, operation, and maintenance of common interests by the Association. The Owner may not waive or otherwise escape liability for these assessments by nonuse of the Common Elements or by abandonment of the Owner's Unit.

Regular Assessments

4.02. Regular assessments shall be made in accordance with the following. Within sixty (60) days prior to the beginning of each calendar year, the Board shall estimate the net charges to be paid during that year, including a reasonable provision for contingencies and replacements with adjustments made for any expected income and surplus from the prior year's fund. This estimated cash requirement shall be assessed to each Owner according to the ratio of the number of Units owned by said Owner to the total number of Units in the Project subject to assessment. Each Owner is obligated to pay assessments to the Board in equal monthly installments on or before the first day of each month.

Special Assessments

4.03. Special assessments shall be made in accordance with the following. If the Board determines that the amount to be collected from regular assessments will be inadequate to defray the common expenses for the year because of the cost of any construction, unexpected repairs, replacements of capital improvements on the Common Elements, or for any other reason, it shall make a special assessment for the additional amount needed. Such special assessments shall be levied and collected in the same manner as regular assessments.

Limitations on Assessments

4.04. The Board may not, without the approval of a majority of the voting power of the Association residing in Owners other than Declarant, impose a regular annual assessment per Unit that is more than twenty (20) percent greater than the regular annual assessment for the preceding year, or levy special assessments that in the aggregate exceed five (5) percent of the budgeted gross expenses of the Association for that year. These limitations shall not apply to a special assessment levied against an Owner to reimburse the Association for funds expended in

order to bring the Owner into compliance with the provisions of the Association's Governing Instruments.

Commencement of Assessments

4.05. Regular common expense assessments for normal maintenance, insurance, common area utilities and necessary expenses, shall commence on the date of closing of the first sale of a Unit in the Project.

An annual assessment for insurance pursuant to Section 3.07(ii)(iii)(iv) shall be made. This assessment shall be levied and collected in the same manner as regular assessments.

Liability for Assessments

4.06. Each monthly portion of a regular assessment and each special assessment shall be a separate, distinct, and personal debt and obligation of the Owner against whom the assessments are assessed. The amount of any assessment not paid when due shall be deemed to be delinquent.

Payment of Assessments on Conveyance of Unit

4.07. On the sale or conveyance of an Unit, all unpaid assessments against an Owner for the Owner's share in the expenses to which Articles 4.02 and 4.03 of this Declaration refer shall first be paid out of the sale price or by the purchaser in preference over any other assessments or charges of whatever nature, except the following:

- (a) Assessments, liens, and charges in favor of the State of Texas and any political subdivision of the State of Texas for taxes past due and unpaid on the Unit.
- (b) Amounts due under mortgage instruments duly recorded.

Lien and Foreclosure for Delinquent Assessments

4.08. The Association shall have a lien on each Unit for any delinquent assessments attributable to that Unit, and said lien shall secure reasonable attorneys fees and all costs and expenses, if any, incurred by the Association incident to the collection of such assessments or enforcement of such lien. The Association is authorized to enforce the lien through any available remedy, including nonjudicial foreclosure pursuant to Texas Property Code Section 51.002. The Owners expressly grant to the Board a power of sale, through a trustee designated in writing by the Board, in connection with any such liens.

ARTICLE 5

RESTRICTIONS AND COVENANTS

General Restrictions on Use

5.01. The right of an Owner and the Owner's guests to occupy or use the Owner's Unit or to use the Common Elements or any of the facilities on the Common Elements is subject to the following restrictions:

(a) No Owner shall occupy or use the Owner's Unit, or permit the Unit or any part of it to be occupied or used, for any purpose other than as a private residence. Nothing in this Declaration shall prevent the Owner from leasing or renting out the Owner's Unit, provided that the Unit is not used for transient or hotel purposes and that the term of the lease is for a period of at least six (6) months and is subject to the Association's Governing Instruments and Rules.

(b) There shall be no obstruction of the Common Elements. Nothing shall be stored in the Common Elements without the prior consent of the Board, except as expressly provided for in the Declaration, or in designated storage areas.

(c) Nothing shall be done or kept in any Unit or in the Common Elements that will increase the rate of insurance on the Common Elements without the prior written consent of the Board. No Owner shall permit anything to be done or kept in the Owner's Unit or in the Common Elements that will result in the cancellation of insurance on any Unit or on any part of the Common Elements or that would be in violation of any law. No waste shall be permitted in the Common Elements. No gasoline, kerosene, cleaning solvents, or other flammable liquids shall be stored in the Common Elements or in any Unit, provided, however, that reasonable amounts in suitable containers may be stored in the storage spaces.

(d) No sign of any kind shall be displayed to the public view on or from any Unit or the Common Elements without the prior written consent of the Board.

(e) No animals, livestock, or poultry of any kind shall be raised, bred, or kept in the Unit or in the Common Elements, except that dogs, cats, or other household pets may be kept in Units, subject to the Rules and Regulations adopted by the Board.

(f) No noxious or offensive activity shall be carried on in any Unit or in the Common Elements; nor shall anything be done in any Unit or in the Common Elements that may be or become an annoyance or nuisance to the other Owners.

(g) Nothing shall be altered, painted or constructed in or removed from the Common Elements, except on the written consent of the Board.

(h) There shall be no violation of the Rules adopted by the Board and furnished in writing to the Owners pertaining to the use of the Common Elements. The Board is authorized to adopt such Rules.

(i) No Owner shall park any automobile or other motor vehicle in the Common Elements except in a space designated for the Owner by the Board, unless utilizing another unit's designated space with written permission by such Unit owner and upon Board approval.

Maintenance

5.02. Except for those portions that the Association is required to maintain and repair, each Owner shall, at the Owner's sole cost and expense, maintain and repair the Owner's Unit so as to keep it in good condition and repair. Each Owner shall also maintain and repair those portions of the Common Elements subject to an exclusive easement appurtenant to the Owner's Unit.

Damage Liability

5.03. Each Owner shall be liable to the Association for all damage to the Common Elements or to other Association property that is sustained by reason of the negligence or willful misconduct of that Owner or the Owner's family, guests, or tenants.

Exemption

5.04. Declarant shall be exempt from the restrictions of Article 5.01 of this Declaration to the extent reasonably necessary for completion of construction, sales, or additions to the Project. Such exemption includes, but is not limited to, maintaining Units as model homes, placing advertising signs on Project property, and generally making use of the Project lots and Common Elements as is reasonably necessary to carry on construction activity.

ARTICLE 6

DAMAGE OR DESTRUCTION

Application of Insurance Proceeds

6.01. (a) If the Project is damaged by fire or any other disaster, the insurance proceeds, except as provided in Paragraph 6.01(b) of this Declaration, shall be applied to reconstruct the Project.

(b) Reconstruction shall not be compulsory if at least 80 percent of the vote of the Owners, which shall include the vote of each Owner of a unit or assigned limited common element that will not be rebuilt or repaired, is cast not to rebuild. If the Owners so vote to not rebuild any Unit, that Unit's allocated interests shall be automatically reallocated on the vote as if the Unit had been condemned, and the Association shall prepare, execute, and record an

amendment to *Exhibit "D"* of the Declaration reflecting the reallocation. If the entire Project is not repaired or replaced and unless otherwise unanimously agreed to by the Owners, the proceeds shall be delivered pro rata to the Owners or their mortgagees, as their interest may appear, in accordance with the percentages or fractions set forth in *Exhibit "D"* of this Declaration.

Insufficient Insurance Proceeds

6.02. When reconstruction is required by the terms of Article 6.01 of this Declaration, but the insurance proceeds are insufficient to cover the cost of reconstruction, the costs in excess of the insurance proceeds and reserves shall be considered a common expense that is subject to the Association's lien rights.

Obtaining Bids for Reconstruction

6.03. If the Project is damaged by fire or any other disaster, the Board shall obtain firm bids, including the obligation to obtain a performance bond, from two or more responsible contractors to rebuild the Project in accordance with its original plans and specifications. The Board shall also, as soon as possible after obtaining the bids, call a special meeting of the Owners to consider the bids. If the Board fails to do so within sixty (60) days after the casualty occurs, any Owner may obtain bids and call and conduct a meeting as provided by this Article 6.03. At such meeting, the Owners may, by a vote of not less than sixty-seven (67%) percent of the votes present, elect to reject all of the bids or, by not less than fifty-one (51%) percent of the votes present, elect to reject all the bids requiring amounts more than five hundred dollars (\$500) in excess of available insurance proceeds. If all bids are rejected, the Board shall obtain additional bids for presentation to the Owners. Failure to reject all bids shall authorize the Board to accept the unrejected bid it considers most favorable.

ARTICLE 7

RIGHTS OF BENEFICIARIES UNDER DEEDS OF TRUST

Declarant warrants that beneficiaries under deeds of trust to Units in the Project shall be entitled to the following rights and guaranties:

(a) Should any of the Association's Governing Instruments provide for a "right of first refusal," such right shall not impair the rights of a beneficiary under a first lien deed of trust to the following:

(i) To exercise the power of sale, foreclose, or take title to an Unit pursuant to the remedies provided in the deed of trust.

(ii) To accept a deed or assignment in lieu of sale or foreclosure in the event of default by a grantor.

(iii) To interfere with a subsequent sale or lease of a Unit so acquired by the beneficiary.

(b) A beneficiary under a first lien deed of trust is entitled, on request, to written notification from the Association of any default in the performance by the grantor of any obligation under the Association's Governing Instruments that is not cured within sixty (60) days.

(c) Any beneficiary under a first deed of trust who obtains title to a Unit pursuant to the remedies provided in the deed of trust will not be liable for such Unit's unpaid assessments that accrue prior to the acquisition of title to the Unit by the beneficiary.
